

AMI Orientation Certificate Course 6-12

The FIRST
6 -12 Orientation
Certificate Course
ever
organized for Slovenia

with trainer
Kyla Morenz

Benefits of the course:

- ✦ You gain general knowledge about the Montessori approach to the development and education of children aged 6-12.
- ✦ You explore how an adult can best support the optimal development of children 6 to 12.
- ✦ You become aware of the development potential of the children in this development plan, their needs and characteristics.
- ✦ You become aware of the relationship between freedom and self-discipline.
- ✦ You gain a good understanding of the importance of observation as a valuable means of providing developmental support to children aged 6-12.
- ✦ You gain confidence in the child's potential.

Course Dates:

- ✦ February 22, 23, 24, 2027
- ✦ March 1, 2, 3, 2027
- ✦ March 15, 16, 17, 2027
- ✦ March 22, 23, 24, 2027

Hours: 16.00 – 19.00 (Slovenia time).

The course is exclusively online, observation hours are carried out individually, according to the guidance of the trainer.

administracija@as-montessori.si

Who is the course addressed to?

- Montessori assistants who already work in the classroom and want to deepen the Montessori approach;
- teachers and professors working in the traditional education system;
- parents or other family members.
- to all those interested in child development or a professional conversion to the field of education

Welcome!

Melita Kordeš Demšar

AMI Trainer Kyla Morenz level 6-12 years old

Kyla Morentz lives in Toronto, Canada and holds a BA from the University of Waterloo and a Master of Education from Loyola University Maryland. In 2011, she earned her TESOL certificate from the University of Toronto, Woodsworth College.

Kyla holds AMI diplomas for both the 3-6 and 6-12 age groups. She has taught in Montessori settings with elementary grades for children ages 6-9, 9-12, 6-12 in Canada and Morocco.

She is particularly interested in bilingual education and has designed language materials for elementary grades.

Kyla consistently provides mentoring courses for educators and schools, courses dedicated to the elementary cycle, in Canada, Morocco, and the Czech Republic.

She has lectured in Ireland, England, Canada, the United States and France. Kyla has lectured in both simultaneous and consecutive interpretation in France and the Czech.
